# CORNER ACCESSORY

- Our products can be applied without an accessory by cutting 45 degrees.
- If you still wish to use an accessory, we have the perfect one size fits all solution.
- Comes with multiple color options.
- Can be cut from bottom to reduce it's height.

# INSTALLATION

Smart One-Click Intallation System

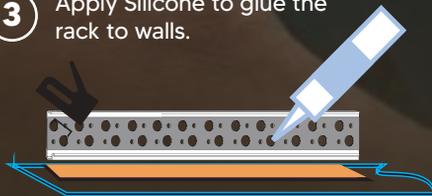

- 1 - Flexible edges
- 2 - Installation Rack
- 3 - Composite Main Body Part
- 4 - Coex Coating
- 5 - Decorative Patterns

## QUICK AND SMART INSTALLATION

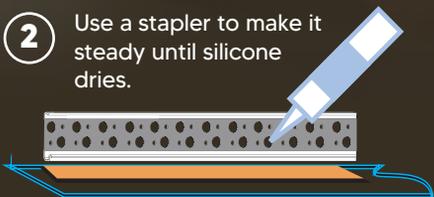

- 1 Put the Installation rack on walls for the whole room.

- 3 Apply Silicone to glue the rack to walls.

- 2 Use a stapler to make it steady until silicone dries.

- 4 Simply impose the skirting boards on top of the installation rack. It will lock in and be ready to use.
